

Privacy Policy for site visitors

This Privacy Policy is intended to describe the management of this site, with reference to the processing of personal data of users / visitors who consult it.

This is an information that is also provided pursuant to art. 13 of Legislative Decree 196/03 - Code regarding the protection of personal data and for the purposes of Article 13 of EU Regulation no. 2016/679, concerning the protection of natural persons with regard to the processing of personal data and the free movement of such data, to those who connect to the website **portoarlecchino** starting from [<http://www.portoarlecchino.com/>].

The information is provided only for the site mentioned above and not for other websites that may be consulted by the user through special links.

The site [<http://www.portoarlecchino.com/>] is owned and managed by Porto Arlecchino which guarantees compliance with the legislation on the protection of personal data (Legislative Decree 196/03).

Users / visitors must read this Privacy Policy carefully before submitting any personal information and / or completing any electronic form on the site.

Types of personal data and purpose of the processing

1) Navigation data

The computer systems and software procedures used to operate this site acquire, in normal operation, some personal data that are then implicitly transmitted in the use of Internet communication protocols. This is information that is not collected to be associated with identified interested parties, but which by their very nature could, through processing and association with data held by third parties, allow users to be identified.

This category of data includes IP addresses or domain names of the computers used by users connecting to the site, the addresses in the Uniform Resource Identifier (URI) notation of the requested resources, the time of the request, the method used to submit the request to the server, the size of the file obtained in response, the numerical code indicating the status of the response given by the server (success, error, etc.) and other parameters relating to the operating system and the user's computer environment.

These data are used for the sole purpose of obtaining anonymous statistical information on the use of the site and to check its correct functioning and are deleted immediately after processing. The data could be used to ascertain responsibility in case of hypothetical computer crimes against the site: apart from this possibility, the data on web contacts do not persist for more than seven days.

2) Data provided voluntarily by users / visitors

If users / visitors, connecting to this site, send their personal data to access certain services, or to make requests in email, this involves the acquisition by Porto Arlecchino of the address of the sender and / or other possible personal data that will be processed exclusively to respond to the request. The activation of the "newsletter" checkbox of the "contact" form page involves the laying down of the mailing address and the name of the interested party.

Personal data provided by users / visitors will not be disclosed to third parties for any reason. In the event that the communication is necessary to meet the needs of the users / visitors themselves, a specific request for approval will be made.

3) Cookies

We do not use cookies to transmit information of a personal nature, nor are used c.d. persistent cookies of any kind, or systems for tracking users.

The use of so-called session cookies (which are not stored permanently on the user's computer and disappear when the browser is closed) is strictly limited to the transmission of session identifiers (consisting of random numbers generated by the server) necessary to allow safe browsing and efficient site.

The so-called session cookies used on this site avoid the use of other technologies that could compromise the privacy of users' browsing and do not allow the acquisition of personal identification data.

Method of treatment

Personal data are processed with automated tools for the time strictly necessary to achieve the purposes for which they were collected.

Each collected data is also checked manually by technical personnel in charge of the treatment.

Specific security measures are observed to prevent data loss, illicit or incorrect use and unauthorized access.

Optional provision of data

Apart from that specified for navigation data, users / visitors are free to provide their personal data. Failure to provide such data may entail the impossibility of obtaining what is requested.

Place of data processing

The processing connected to the web services of the sites indicated above, take place at the headquarters of Porto Arlecchino and are only handled by technical personnel in charge of processing.

No data deriving from the web service is communicated or disseminated for any reason.

Personal data provided by users who request dispatch of informative material are used only to perform the service or provision requested and are communicated to third parties only if this is necessary for this purpose and only after authorization.
